RE: Proposed North Airfield Expansion at Hanscom Airport

To the Honorable Governor Healey:

At their September 11th meeting, the Wayland Select Board adopted the following resolution:

The Select Board of the Town of Wayland opposes the expansion of private jet facilities and use at Hanscom Field because of the unavoidable adverse climate and environmental impacts and because such expansion is contrary to equity and environmental justice goals for the Commonwealth of Massachusetts.

On behalf of the Wayland Select Board, I respectfully ask you to take the aforementioned resolution into consideration and use your leadership and authority to limit Massport expansion of private jet capacity at the Laurence G. Hanscom Field.

Please do not hesitate to contact me with any questions related to this correspondence.

Sincerely,

Michael F. McCall
